> BIO

Dominic Daley, aka MOSKO is a British techno producer and DJ known for his powerful and dynamic techno sets and productions.

He is one of several techno artists to emerge from the Lisa Lashes School of Music, tutored by international DJ's, producers and industry professionals.

Founder of District Records, a grass roots record label created to give students and local talent access to leading music platforms like Beatport, Spotify, iTunes & Tidal.

MOSKO regularly throws underground parties with friends in unique spaces like boats, lofts, alleyways, basements and even the odd barbershop!
